When determining the number of school places being made available in a given year, the Boards will have regard to relevant Department of Education and Skills guidelines.

Pupils in Scoil Mhuire are required to cooperate with and support the school's **Code of Behaviour** as well as all other policies on curriculum, organisation, and management matters. The Board places responsibility on the pupil's Parent or Guardian for ensuring that their child(ren) cooperate with said policies in an age-appropriate way. Parents / guardians in the school will be required to sign and return a form stating that they have read and agree to support the school's **Code of Behaviour**. Sanctions may be applied for failure to comply. These policies may be added to and revised from time to time.

The relevant dates and timelines for the admission process to Junior Infants in the parish of Marino are set out in the Annual Admissions Notices of St Vincent de Paul Junior School and Scoil Mhuire, which are published annually on the websites of both schools at least one week before the commencement of the admission process for the school year concerned. All decisions in relation to applications for enrolment are made by the **Admissions Committee** in accordance with the schools' policies. **From September 2025, pupils allocated to Junior Infants in Scoil Mhuire will remain here for the duration of their primary education, while pupils allocated to Junior Infants in St Vincent de Paul Junior School will have priority for admission to St Vincent de Paul Senior School.**

From September 2025 until September 2027 (inclusive) both St Vincent de Paul Senior School and Scoil Mhuire will continue to receive Second Class pupils from St Vincent de Paul Junior School. The relevant dates and timelines for the admission process to Second Class in the parish of Marino are set out in the Annual Admissions Notices of St Vincent de Paul Senior School and Scoil Mhuire, which are published annually on the websites of both schools at least one week before the commencement of the admission process for the school year concerned. Roll: 16759E

The Board of Management of Scoil Mhuire wishes to emphasise that **any false or misleading information provided in the admissions process may lead to forfeiture of a child's place.**

### *Enrolment Procedure for Junior Infants*

The common admissions procedures outlined in this Admissions Policy will be operated to **ensure an overall balance of pupils** attending St Vincent de Paul Junior School, St Vincent de Paul Senior School, and Scoil Mhuire. With regard to the availability and allocation of places to Junior Infants, the Admissions Committee determines the numbers for entry to Junior Infants based on:

- a) The size of, and available space in, classrooms
- b) Department of Education and Skills guidelines
- c) Multi-grade classes to provide for a reasonable and balanced enrolment process for each of the schools.

Each year, allocation to either St Vincent de Paul Junior School or Scoil Mhuire will be determined in accordance with the intake numbers published on each school's Annual Admissions Notice, taking into consideration parental preference and an overall balance / proportionality within the cohort.

One of the core philosophies underpinning these common admissions procedures is that families should be educated together, therefore the following fundamental principle will apply: In so far as is possible, **siblings will be educated in the same school** where this is the preference of the family. This will take effect from September 2025, whereby all subsequent siblings will be prioritised for admission to the school of their older sibling.

While families will – on the Joint Application Form for admission – have the opportunity to express their **preference** regarding placement in a specific school, **the decision of the Admissions Committee regarding the placement of Junior Infant pupils in either St Vincent de Paul Junior School or Scoil Mhuire is final.**

### *Enrolment Procedure for Second Class 2025 – 2028*

The common admissions procedures outlined in this Admissions Policy will be operated to **ensure an overall balance of pupils** attending both St Vincent de Paul Senior School and Scoil Mhuire. These procedures take into consideration parental preference while also ensuring that all children currently enrolled in Catholic education in the parish of Marino will transition to either St Vincent de Paul Senior School or Scoil Mhuire. Each year the Admissions Committee determines the numbers for entry to Second Class based on:

- a) The size of, and available space in, classrooms

### **17. Arrangements Regarding Pupils not Attending Religious Instruction**

Where the parents have requested that the pupil attend the school without attending religious instruction in the school, a written request should be made to the Principal of the school. A meeting will then be arranged with the parent(s) to discuss how the request may be accommodated by the school. These arrangements will not result in a reduction in the school day of such pupils.

Families are advised that the school is not in a position to supervise pupils in an area removed from where the religious instruction takes place. Thus, though the pupil will not participate in the religious instruction, they will remain in the classroom under the supervision of the class teacher. During this time, the pupil will engage in activities as agreed between their parent(s) and the Class Teacher, ensuring that they do not impact adversely on the religious instruction taking place. In the event that the parent wishes the teacher to provide resource material, this will require a meeting between the parents and the teacher and be approved by the Principal.
